Jewels

a hymn by Wm. O. Cushing and Geo. F. Root

```
        D
When He cometh when He cometh
   A           D
to make up His jewels
        D                Bm
All His jewels precious jewels
    A             D
His loved and His own

         G            D
Like the stars of the morning
    Bm           A D
His bright crown a-dorning
           G              D
they shall shine in their beauty
    A             D
His loved and His own

        D
He will gather He will gather
    A            D
the gems for His kingdom
        D                  Bm
all the pure ones, all the bright ones
    A             D
His loved and His own

       D
Little children little children
    A            D
who love their Redeemer
        D                Bm
are the jewels precious jewels
    A             D
His loved and His own
